### **TESTIMONIALS**

"I can highly recommend WSBA for business promotion and branding as the audience is perfectly positioned for this market. We have used WSBA for our own requirements and client campaigns for many years now. Michael and his team are always ready to help get the best result for your advertising and promotion. Overall I believe the paper is a success as it is so relevant to the audience (businesses in the area of Western Sydney) for it to be effective" – **Chris Hekeik. Managing Director, Mode Media.** 

"Over the years, we've successfully utilised the Access platforms to showcase various projects and initiatives being undertaken by our clients in Western Sydney. WSBA and Sydney West TV have provided us with the opportunity to connect with local communities and decision-makers across the Region." – **Richard Lenarduzzi, Group Director, Premier Communications Group.** 

"At a time when there is so much happening in Western Sydney, Western Sydney Business Access is the go-to publication to stay up to date with the latest news. Michael and his team are committed to the region and take the time to understand the people, businesses and issues that make Western Sydney unique. Western Sydney Business access has been a part of the local landscape for many years and in the era of fake news remains a trusted source of information." - Amanda Brisot, General Manager Western Sydney Business Connection.

"WSBA has been a long-standing supporter of the Parramatta Chamber of Commerce and has been an active media partner with our flagship event-Western Sydney Awards for Business Excellence (WSABE) for many years. WSBA produced a fantastic souvenir edition for the WSABE finalists and winners at the gala evening. The supplement was exclusively produced and included images and stories on each of the winners. It was given to 500 guests that evening, as well as being featured in the following edition of WSBA. The ACCESS souvenir edition has evolved into a high-value tradition for the WSABE program and is highly sought-after within our region." – Business Relationship Manager Parramatta Chamber of Commerce.

"The WSBA round tables are an important forum for business, social and Western SYDNEY specific issues. KPMG has participated over the last 4 years as the forum is unique in the issues raises and the attendees it attracts. The round tables are well run and consistently raise issues that surprise participants as it is the interaction between participants that brings issues to the fore." – David Pring, Managing Partner KPMG Western Sydney.
